Welcome to Centennial Christian School!

Centennial Christian School offers education from Preschool through Grade 12. This Handbook is designed for parents of students in Kindergarten through Grade 7. A separate handbook for Preschool, and High School, are also available.

We hope that this handbook will be informative and make you more familiar with the coming and goings of our school. In this handbook you will find what our school is all about, program information, and school operations.

What is Centennial Christian School?

Centennial Christian School (CCS) is a Christian day school operated by the Terrace Calvin Christian School Society. Our Society is based on the infallible Word of God as interpreted in the Reformed creeds and standards. A Reformed world view recognizes that we must serve and glorify God in all of life and uphold the Lordship of Christ in all things.

Centennial Christian School exists for parents who desire Christian nurturing for their children in their schooling. Through the educational program the school strives:

- to prepare children as God's image bearers for meaningful participation in His world.
- to help children see their role in God's story of transforming His Kingdom.
- to show the children the way to total commitment to Christ and the need for His Lordship over their life.

Who runs the school?

Centennial Christian School is run by a school board made up of elected full members of the society.

CCS Vision Statement

Centennial Christian School is a community that is based upon the sovereignty of God and the authority of His Word. Through the redeeming work of Christ and by the power of the Holy Spirit, we are enabled to serve and glorify God in all of life and to uphold the Lordship of Christ in all things.

Holding this world view, which recognizes everyone as created in God's image, we seek to support each other in nurturing the unique gifts of all students. Through example and instruction, we equip each student with knowledge, skills, and understanding, challenging them to exercise discernment and stewardship in all aspects of life. We intend the entire learning environment to reflect the diversity and unity of God's creation.

CCS Mission Statement

Head, heart, and hands; learning in and with community.

Who can come to CCS?

Centennial Christian School is open to all those who support the school's mission and vision. It is a place that ensures that all students regardless of their sex, race, religion, culture, sexual orientation and gender identity or expression, enjoy a safe, inclusive, and welcoming learning environment. Parents who are new to our school and to Christian Education are interviewed by the principal and then enrolment for full or associate membership recommendations are made to the Board. All parents new to the Society are expected to attend the New Member Information Evening held in the fall. The Board asks all parents who wish to enrol their children to familiarize themselves with our mission and vision.

Before being accepted into Centennial Christian School the principal will talk with you about the school's mission and vision, reviewing financial obligations, and whether we can meet the needs of your child at our school. If you or someone you know is interested in enrolling children in Centennial Christian School, please contact the principal, Mr. Edgar Veldman.

How much is tuition?

Tuition varies from year to year. The current year's tuition schedule is posted in the Summer Newsletter and the first two Friday Flappers. Questions about tuition can be directed to the bookkeeper in the front office.

Who is my child's teacher?

Mrs. Bev Mantel	Kindergarten
Mr. Tim Block	Grade 1
Mrs. Vellekoop	Grade 2
Mrs. Susan Lehman	Grade 3
Ms. Ashley Hall	Grade 4
Mr. Jeff Lehman	Grade 5/6
Mr Jordan Berends	Grade 7
Mr. Tommy Hartl	Art 4, 5/6 & 7
Mrs. Trish Rolleman	Learning Assistance
Ms. Susan Klein	Music 3, 4, Band 5/6 & 7
Mrs. Becky Kui	Librarian
Mrs. Holubowski	ADST 5/6
Mrs. Ella Ringma	Assistant Principal, PE K, Math 5
Mr. Edgar Veldman	Principal

What time is lunch?

The times for the school day are as follows:

8:50	Opening bell	12:20	End of eating time/beginning of lunch hour
8:55	Beginning of 1 st period		
9:39	End of 1 st period	12:55	End of lunch hour/beginning of 5 th period
9:42	Beginning of 2 nd period	1:34	End of 5 th period
10:26	End of 2 nd period/beginning of recess	1:37	Beginning of 6 th period
10:40	End of recess/beginning of 3 rd period	2:19	End of 6 th period
11:19	End of 3 rd period	2:22	Beginning of 7 th period
11:22	Beginning of 4 th period	3:05	End of school
12:05	End of 4 th period		

Our school operates on a weekly cycle. Each day of the week is broken down into seven periods for a total of 35 periods in the week.

How do I find out what is happening at the school and in my child's class?

Friday Flapper

A weekly school newsletter called the Friday Flapper is emailed home every Friday or sent home with the youngest child in the family. Please read it weekly to stay informed about upcoming school and society events, and to make sure you do not miss vital information.

Class Newsletters

Class newsletters are often sent home by the homeroom teacher. They inform parents about assignments and events particular to their grade.

Centennial Christian School App

Our free app is a fantastic way to stay connected with the school community and updated with current events.

Parents: Stay up to date with school news and calendar updates. Contact the school office for the **school code** to register.

Other features:

- Push notifications will keep you updated about school closures and other important news.
- You will always have your school calendars and student resources on hand and up to date.
- Conveniently e-mail, phone, or navigate to the school, or reach the website or social media.
- Spread the word about school events by social media, email, or text message.

How to Get our App:

- Search the App Store (Apple) or Google Play (Android) for the free Centennial

Christian School App or visit centennialchristian.appazur.com/go.

- If you don't wish to use an iOS or Android device, sign up for email or SMS text notifications at: centennialchristian.appazur.com

Notes:

- If prompted, be sure to **allow** push notifications.
- Sign in to choose the messages and other information that are important to you:
 - Tap Sign In (on the Home tab) and follow the instructions on screen. Parents use their own email.
 - Choose the Groups tab, then tap the gear icon (top right) to select your Groups.
 - To customize how you receive notifications, tap the User Settings icon on the Information tab.

Facebook and Instagram

All school events, reminders and photos are posted regularly to our school's Facebook and Instagram pages.

Parent Communication

We encourage parents to communicate concerns and praise to the teacher when occasions arise. Teachers will also connect with parents when necessary.

How can I help?

Our Development Director is the go-to person for figuring out how you can volunteer at CCS. Ideas include:

- work on committees
- baking for events
- Hearts and Hands – our parent fundraising committee
- School cleanups

Teachers are also always looking for parent volunteers as:

- class speakers
- class helpers
- drivers for events and clean up
- tutoring

In addition to the Board and its Committee, our school has a Hearts and Hands committee. This group of parents is instrumental in fundraising for needed items and special projects in the school. Funds are raised through various activities including our hot lunch program, sausage. We are always looking for more people to join!

What happens when my child is involved in conflict at school?

Our Vision Statement begins with describing Centennial Christian School as a community. As a community we need to establish how we are best able to serve God, others, and ourselves with respect to the operation of the school.

The Bible is our source for all our guidelines with respect to attitude and conduct. Christian discipline in the school is intended to be carried out in the same way that loving parents would discipline their children. This is a process of leading, guiding nurturing, and correcting children towards restoration in a path of service to God and to their neighbours. As such we use Restorative Practices to bring healing to all parties when situations arise. This practice allows everyone to have a voice and treats all parties as children of God.

Discipline is carried out keeping in mind the aspects of love, concern, firmness, and fairness. It is expected that teachers and parents communicate their concerns in this area. Parents dissatisfied with any specific happenings are asked to speak first with the teacher involved. Contact the administration only if further discussion or clarification is required.

What happens at recess and lunch?

At recess and noon hours students are expected to be outside unless they have been asked to remain in by a teacher. Our students have access to balls and bats and other outdoor equipment in an outdoor bin for use during recess and noon hours. Proper care and treatment of the equipment should be used. Students bringing their own sports equipment must store it in the bin too - please have clear identification on any personal equipment.

The general principles for behaviour as described above apply to the playground also. There is to be no play fighting or games that involve pushing, shoving, or tackling. Rough play in any sport is also to be avoided. Students disobeying this rule will be addressed by a teacher and sent to the principal in the office if needed. Repeated infractions will result in loss of noon hour privileges and/or a child being required to be at home for noon hours.

What do I do if my child is late or absent from school?

Regular and punctual attendance is always expected and is vital for successful performance in course work. If your child will be absent, please inform the school before 8:40 a.m. through the school App or by phoning the office on the day of the absence. Parents are urged not to take their children out of regular school days as it affects academic progress. Please plan your family holidays to coincide with school holidays.

The homework teachers assign after an absence will not make up for the absence from class, since most of a students' learning is gained from teacher instruction and class dialogue. Daily assignments are the student's response to the lesson of the day and are not the lesson itself. If

a prolonged absence is unavoidable, it is the parents' responsibility to keep the student from getting so far behind that resumption of schoolwork is difficult and frustrating. For absences other than illness, the teacher is not required to spend large amounts of time on preparation of lessons and individual instruction.

If your child is late for school, they will need to stop by the front office to pick up a late slip before going to class. Remind your child to apologize to the teacher if they are late to school. If the number of lates begins accumulating expect a conversation with the teacher and/or Administration.

Parents are asked to pick up their children on time after school – 3:05pm is best, but we they will be supervised until 3:30pm at the latest.

How do I know if school has been cancelled due to weather?

When school is unable to open because of severe weather conditions or must be closed because of emergencies, news of this will be carried on the local AM station CFTK 590, the CCS App, the Centennial Facebook page, and the school website at www.centennialchristian.ca.

Will my child get homework?

In the lower grades (K-3), homework will be minimal. Students in the intermediate grades (4-7) may receive homework assignments more regularly and should expect to spend time at home reviewing, working on projects, and studying for tests. Students in any grade who do not finish assignments in class when enough time was given may be required to complete the work afterschool or take their work home to finish it.

How will I know how my child is progressing?

Regular report cards are issued three times a year as per ministry guidelines. We use these report cards to give you a picture of your child's ability to learn. Learning is a something we never stop doing, or master completely, but our goal is to help our students get to a place where they can learn independently. This takes time and cannot be rushed. We see this as a process that will improve with age and a growing confidence in who they are as children of God.

Please keep in mind that report cards are one method of relating student progress. We encourage regular communication between parents and teachers. After the first report, parents are required to attend a parent/teacher conference with each child's teacher. Three-way (parent/student/teacher) conferences will occur near the end of second term and our final Celebration of Learning Event will take place at the end of the school year. Other

conferences may take place at the request of the parents or teachers. We are part of MyEdBC which sets the formatting of the report cards. The following learning descriptors will be used in the report cards.

LEARNING DESCRIPTORS

EMERGING (EMG) Initial Understanding	DEVELOPING (DEV) Partial Understanding	PROFICIENT (PRF) Complete Understanding	EXTENDING (EXT) Sophisticated Understanding
			
<p>"Emerging" indicates that a student is just beginning to demonstrate learning in relation to the learning standards but is not yet doing so consistently. Emerging isn't failing.</p> <p>If there is insufficient evidence of learning, the student can be assigned an IE.</p>	<p>"Developing" indicates that a student is demonstrating learning in relation to the learning standards with growing consistency. The student is showing initial understanding but is still in the process of developing their competency in relation to the learning standards. Developing isn't failing. All students will be developing in some areas and at specific points in time.</p>	<p>"Proficient" is the goal for all students. A student is Proficient when they demonstrate the expected learning in relation to the learning standards. Proficient is not synonymous with perfection. Instead, the student can demonstrate their learning consistently or most of the time.</p>	<p>Extending" is not synonymous with perfection. A student is Extending when they demonstrate learning, in relation to learning standards, with increasing depth and complexity. Extending is not a bonus or a reward and does not necessarily require that students do a greater volume of work or work at a higher grade level. Extending is not the goal for all students; Proficient is. Therefore, if a student turns in all their work and demonstrates evidence of learning in all learning standards for an area of learning, they are not automatically assigned Extending.</p>
An adult must provide step by step assistance for students to complete work	An adult checks-in to see how the student is progressing and provides help as needed	The student can accurately complete work independently and may be able to help other students because of their level of mastery	The student can thoroughly complete work independently and apply their learning in new situations and teach others
Support, positive input, and encouragement builds confidence and understanding	Encourage your child to try things on their own first, then assist as needed	Encourage your child to show what they know and nudge them on to the next level	Encourage your child to connect and apply what they know in new contexts

What supplies will I need to buy?

All grade K-7 students will need:

- Indoor non-marking shoes that are also good to use in PE.
- Markers
- Pencil case
- Pencil crayons
- Pencil sharpener

Grades 4 - 7 also require:

- 1-inch binder and dividers for Math
- Blue, black, and red pens
- Shorts/t-shirt in a drawstring bag for PE

All other supplies will be provided by the school (pencils, erasers, notebooks, etc.)

What happens if my child wrecks or loses a library book?

Students may sign out two books each week when the librarian is present. These books are due the following week. Notices of overdue and lost books will be sent home when needed. Reimbursement is required for lost or damaged books.

The library committee orders books on a regular basis. If you have any questions about the suitability of a specific book, please speak to a member of this committee.

Is there a dress code?

Our school does not require uniforms; however, students' dress and appearance should reflect the following:

- A tasteful appearance and modesty
- suitable clothes for school activities and weather conditions
- Clothing with inappropriate sayings or pictures must be avoided.
- No midriff or bra straps showing, please.

Students in Grades 4 - 7 must have separate, proper gym clothes (school T-shirts can be purchased in the office) and footwear to use in the gymnasium. Please label all T-shirts with the student's name. Coats and loose clothing items should also be labelled with the student's name.

Does my child need indoor shoes?

Yes, all students must have a pair of outdoor **and** indoor shoes. Indoor shoes must non-marking and suitable for PE and worn while inside the school to help keep our school

clean.

Can my child bring a mobile phone to school?

No, students in the Elementary school are not permitted to bring their electronic devices to school (cameras, iPod, tablets, phones, or smart watches). Parents/guardians, please make sure your child does not bring electronics to school. If a student is found to have one, it will be taken by the teacher and not returned until the end of the day, with a note home to parents.

Are there any food restrictions I should be aware of?

There are not currently any school wide food restrictions at CCS. However, the grade 4 class is peanut free. Otherwise, your child's teacher will inform you of any allergy related food restrictions in your child's class.

We want to encourage good health habits and proper nutrition. Please eliminate non-nutritious snacks and give balanced diets for your children (no pop or energy drinks). Food not eaten during school must be taken back home. Students should eat their own lunch and may not trade food. Students must remain in their rooms and desks to eat their lunch from 12:05 to 12:20pm at which time they wash hands and go outside.

What happens if my child gets sick or is injured at school?

CCS has certified first aid personnel that will assess your child as needed and take the necessary steps for treatment. Parents may be requested to pick up their children for medical reasons or injury. Any injury requiring medical attention is recorded in an Accident Book at school. In case of illness occurring while at school, students may be asked to wear a mask and brought to the sick room in the front office, in isolation, while they wait to be picked up by a parent or guardian.

When can I call my child's teacher?

Calls to teachers should be made before or after school. Please avoid calling when the staff has devotions or meetings (Monday before school - 8:00 a.m. - 8:45 a.m. and Tuesday after school - 3:30 p.m. - 5:00 p.m.) Parents are asked to do their best to avoid calling the school to leave messages for their children. Please make any necessary arrangements before school.

Can I come on a fieldtrip?

Field trips are a valuable part of the school curriculum and program. Parents may be requested to assist in the organization and transportation required for field trips. A criminal record check on file at the school is required for all drivers, chaperones, and volunteers who

will be with CCS students.

Please note the following guidelines for transportation:

- Drivers should be responsible, age 19 years and over, in possession of a Class 5 Operator's License, have adequate insurance for bodily injury and property damage (t \$2,000,000 liability) and have a criminal records check completed at the school.
- Drivers should be healthy and not taking medication that can affect control and judgement. Drivers must not be under the influence of alcohol or drugs.
- Student transportation for field trips must be in a vehicle that is maintained properly and has adequate tires for the conditions and seasons as posted on highway signs and required by law.
- Vehicles must have the appropriate number of seat belts, and the driver must ensure that all passengers buckle up. The driver is responsible for the safe loading, number of passengers, and conduct in the vehicle. No vehicle shall be overloaded, and all passengers will be properly seated.
- If any problems occur during the trip, the driver must report the incident to the teacher in charge.
- Students assigned to a particular car must obey the driver in charge.

Teachers will send home Field Trip permission slips and information forms to obtain parent/guardian signatures for permission and to inform parents of the details of the trip when there is a medium to moderate risk involved. A general field trip permission slip will go out at the start of the year to all students allowing students to go on local, low risk field trips.

Who can drive the bus?

Centennial has a bus available for field and sports trips. This bus is booked through the front office, and drivers must have a driving abstract on file at the school with a class 4 (unrestricted) driver's licence, and a criminal record check to drive the bus.

Where can I drop off and pick up my child?

Parents may use the north and south parking lot of the Christian Reformed Church for dropping off and picking up students. Parents who drop their children off in the CCS parking lot may not stop in front of the main doors but must drop students off at the far (high school doors) to prevent traffic from backing up on Sparks St. Please be prompt in your pickup and drop off times.

What is an Early Dismissal?

Early Dismissals happen on the first Tuesday of every month. During this time, our teachers engage in professional development and work to improve their teaching practices together.

School ends at 2:05pm on those days. Please be prompt picking up your children as our staff will be busy doing Professional Development.

Can I sign up for After School Care?

After School Care is available for children grades Kindergarten to six from 3:05-5:05pm, Monday to Friday and will be available on Early Dismissal days from 2:05-5:05pm. Care will be available on Professional Development Days from 8:50am-5:05pm. The program will not be available on Statutory holidays, or during Christmas Holidays, Spring Break or Summer Holidays. Regular and Early Dismissal Day registration must be before 12:00 noon on the day of. Pro D registration must happen by noon on the previous day. Contact the office for more information.
